It will happen ...
Soon
No way out, now
No turning back.
Soon
It will happen...
Soon
When least expected,
When most wished for.
Soon
It will happen...
Soon
Who will see it?
Who, does not matter.
Soon
It will happen...
Soon
Where are we going?
Where have we left off?
Soon
It will happen...
Soon
Why has time stopped?
Why! It hasn't happened?!
Soon
It will happen...
Soon
What colour will it be?
What size?
Soon
It will happen...
Soon
How much longer?
How much more?
Soon
It will happen...
Soon
Yes, no way out now
Yes, no turning back.
Soon
It will shortly happen.
